“We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. With caring thoughts.

“ *To the Jordan Family ~ I am heartbroken to hear of the death of Christine. I have known Chris for many years as we worked together at Dekalb County Board of Health years ago and have remained in contact. She was a lovely, sweet Christian lady. She will be missed. May God comfort her family and friends during this challenging time of loss. Love, E. JoAnn Bacon*
