“ Dear Cospers Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ I met Chris over 16 years ago and he left a real impression on me. Something told me to look him up-- and wow-- to see this is heartbreaking. He was a GREAT friend. He told me some things that changed my life. I'm deeply saddened.

“ My heart is deeply sadden with the loss of Chris, there are simply no words to express my heartfelt sympathy. I had the opportunity to be one of Chris instructors at Lincoln College of Technology. He was well mannered, punctual, quick to learn the EST Trade. He was an excellent student, helpful, and enthusiastic, and I am glad to have known him.

“ *RIP CHRIS! It was a pleasure knowing him, he came into our lives over 15 years ago and left us with a great gift (my nephew) to live out his name. I can barely remember all the conversations we have had because he talked so much (lol) but I do remember that Boonka was his #1 fan. He was such an awesome father! We are still in total shock and wish it was a dream.....*

“ *Chris was my next door neighbor as well as a good friend. We mostly talked about working on houses and cars, but I also know how much he cared for his family as we talked in our yards over the years. May he rest in peace with our Lord.*
