“ Chris and I worked together for years. His wonderful, sweet happy spirit would always make you smile. His desserts and food were delicious. But he & I found out through FB that we shared 1st cousins on different sides of her family. We laughed at how small the world is and why we probably connected at work. Rest well Chris. You will surely be missed. To Venus and the entire family, I send my heartfelt, condolences and prayers to you all. 🙏

“ I had the pleasure of working with Chris on and off these last 5 years and although I unfortunately did not get the opportunity to meet face to face (time and place never meshed) but we had many online conversations and he was always such a friendly voice to hear, kind words and thought in every conversation. My heartfelt thoughts and sympathies go to all Chris's family and friends xx

“ I was one of Chris's colleagues with HMS. I didn't know him long, however the few times we spoke he was such a gem. Always willing to help and even though we worked remote I can tell he was a happy soul. He will be missed.

Sleep well Chris Fletcher.
