“ Christopher’s wife Deloris is my sister from another mister and through our sisterhood I often had an opportunity to interact with Chris. If we were riding in the car, we had Chris at some point on speaker and the GPS. When we got into situations outside of the box...flat tires, incorrect directions, etc...it was Chris giving direction to safety. If we needed a little more girl time, it was Chris saying ..it’s alright. On the outside looking in, I know Chris was a wonderful husband who truly loved his wife and family and never failed to show ieven if we were interrupting a football game. I will truly miss you hanging out with me and your wife during our outings !!! My prayers and love to the family.
