“ I had the pleasure of working with Chuandra for several years subsequent to her designation as training coordinator in the federal courts. She was always an enthusiastic advocate and energetic supporter of training and education programs in her own and other U.S. courts. Her work made her own and other courts better. She will be greatly missed. Rest in peace Chaundra.

“ Dear Mack Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.
