“ *I've only known Shay for a year and a half, but she was a joy to me and the other members of our little Wednesday night DnD group. We played the game, but we also always shared dog, kid, and life stories (usually in that order!). Eager to learn, always having fun and adding a spark to the group, we will absolutely miss her, having seen her almost weekly for a year and a half. Blessings and prayers to her son and other family members.*
