“ I worked with "Rock" for over 20 years. He was always a joy to work with. Rock went out of the Meat Products office to move a truck and banged on a sealed off metal drop box that went into the office with a metal pipe. It scared everyone in the office, clerk Lou Pena who was sitting next to old drop box. Rock denied knowing anything about it. He was a hard worker that made my job as a supervisor easier. Reset in Peace Rock!! Prayers for the family.
