“ I knew Claude for several years, from the Bronx - I stayed in touch with him from time to time as we both moved on in life. Most of conversations would be of him remembering me cooking for him and others (I was a vegetarian at that time). I could never forget Claude as his birthday is the same as one of my brothers; I am numb that I just today found out of his passing today (8/28/17) as my dear brother in-law passed the same day as Claude and was supporting my sister. My deepest condolences to the entire family; although tough to handle, we all know that he is at peace and will suffer no more. God Bless and my prayers for comfort and peace to you all.

“ *To the Family of Mr. Claude Everett Pearson:*

I remember the only time I had the privilege of meeting Mr. Pearson was at his daughter's graduation from college in New York. I was informed that he might not have been feeling his best physically. However, his desire to see his daughter Cherise complete her studies did not hinder him from traveling many miles to congratulate her. I recall his cheerful and buoyant personality that seemed to join strangers together as all present celebrated the academic achievement of his beloved daughter.

My love and prayers are with those whom he has left behind. Because of God's matchless love and mercy, he was privileged to hear the Gospel message of salvation on several occasions. We are earnestly looking forward to meeting him again one day.

May God bless and keep you in his care.
