“ Claudia she was an **OUTSTANDING** barber, her clients and co-workers absolutely adored her. She was a perfectionist and would never settle for anything less. Business oriented, structured, dependable, honest, professional, funny and so caring of others. She was loved by all of us. We love and miss you Claudia.

“ I will grieve by myself until God sends His healing to my heart. Many rough waters our family has been through but God knows it all. I last spoke to you in 2020 after Covid started. I remembered vividly the conversation where you asked me if I was apart of any form of Investment. I remembered the Stock Exchange Link that you sent me. That meant that you were never a self-centred person. You wanted others to be prosperous. That was very encouraging. Looking at your pictures and that smile brought tears to my eyes. I have never met your son but the pictures show him loving his mom and you loving him back. Sleep on beloveds. You are out of all the bitterness of this world. You are with your Maker.

“ *Such beautiful souls. You came into this world and spend some time with us now you both of you are no longer with us. We can't understand but your Creator knows best. Recently in the month of March I remembered carrying you as a baby when I was a child. By then you were already sleeping and no one knew. That convinced me that the Spiritual Realm is real. Many want to doubt God but when things are about to happen or has happened some things are stirred up in your Spirit. I remembered when you first came back to Jamaica you were so excited to see me. We had that family reunion and you were there to bring joy to many hearts. Sleep on beloved cousins. Sleep and take your rest in the Bossom of God.*

*In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Our condolences.*
