“ *My beautiful aunt I love you so much. I'm so thankful for the memories and laughter we had with you. You never missed a birthday, always wished us happy new year and always made sure we were doing good. Your phone call always started with how y'all doing. It's so hard to write this message because I don't want to believe your gone 😭 I just want my phone to ring and it's you. Until we meet again. Love Ashley*
