“ I am sorry to hear of your loss. Please accept my deepest sympathies. Death is a horrible thing to go through, yet we have a hope from the Bible of a resurrection hope. Our loved ones who have died will be brought back to life with the same personality as Acts 24:15 states. We will all live forever on earth. I hope this thought brings you comfort and hope during this time. Please accept my deepest sympathies.

“ I am so sorry to hear of your loss. Please accept my deepest sympathy. There is a wonderful hope in the Bible of a time where our dead loved ones will come back to life on a paradise earth. (John 5:28,29.Luke 23:43) Aren't these wonderful thoughts? Can you imagine seeing you loved ones again? I hope you find comfort and hope during these trying times.

“ Your family is in our thoughts and prayers at this time for the loss of your loved one. We had the opportunity to work with Clayton at P&L for many years. You could always count on Clayton to put a smile on your face when you were having a bad day. That broad smile was just a ray of sunshine that he brought to everyone around him. “ Clayton, even though you and I haven't had much time together in the past years, you were always dear and special to me. When we'd meet after years, it was though we'd just seen each other yesterday. Your smile, your belly laugh and your pleasant personality always shone thru. I think of myself as you...that being one who always saw the best in everyone. I loved you even though we were apart. You taught me much even at a distance. I know you are now in God's care and rejoicing with those gone before. I loved you on earth and I know you are rejoicing more now than ever on this earth. Your Cousin Roy
