“ *We're going to miss Uncle Cleorn so much. I thank God for allowing him to share his laughter, tears, auto mechanic advice and his backyard when I needed to grill! He was always there whenever I needed him. What a great husband and best friend to Auntie Pearl, little brother to mom and Uncle to all of his favorite nieces.*

“ Uncle Cleorn was more like a grandfather to me than uncle . He was always very loving and supportive. I have so many wonderful memories of him that its so hard to pick just one. The best ones were how excited I would get, everytime he and Auntie Pearl came to Indy for my events growing up. He will always hold a special place in my heart.

To my Aunt and cousins we send you our love and are with you all in sprit.
