“ *Cleve was a mentor, friend and brother to me. Always kept it real with each and everyone he met. He lived life, loved his family and taught so many of us in the car business things that only a Master of Life could teach. I will miss just being in the company of such a great dude. Thank you for everything Cleve. Rest easy my friend.*

“ It is so hard for me to believe Cleve has passed. He was a good friend and a model of life for everyone around him. He will be missed and I feel blessed to have not only work with him but to think of the countless lives he changed as a educator. You all are in my prayers and thoughts.

“ My sincerest condolences to the family of Cleveland Johnson. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalms 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."

May your reflection on this promise and your many fond memories of Cleveland give you the strength you need to endure this difficult time.
