“ On behalf of our entire family, we do want to thank each and every one of you individually and collectively. You contributed greatly to the celebration of the loss of our love one. Your cards, words of encouragement, calls, pictures, “visitation”, flowers, food, sacrifices, prayers, and acts of kindness will go a long way in the healing of our hearts. It was such a blessing to hear from many who we had lost touch with over the years, however, GOD has a way of bringing things together at the right time. Many thanks to those who sent the beautiful flowers of LIFE. That indeed blessed as well as brightened up our day. Do know that as we look upon each plant/flower, we will think of you and your love towards our family. A very special thanks to the Ministers who participated in the celebration of life for our love one and ALL that played a part in the celebration through songs, prayer, and remarks. A BIG thank you to Connor, Chase, Caiden, and Caitlyn for their tribute to “Grand Daddy Bubba” what courage and strength they exhibited. Thanks to Ms Jayla for distributing the programs with such love. We are so deeply grateful for our COUSINS who were so faithful in caring for our love one over the years. Taking him food to eat, checking in on him from time to time, calling him to let him know that you care. We send you a heart filled THANK YOU and pray that GOD will continue to increase you more and more. Now my love goes out to Freddie, Cecil, Daniella (DD), Renee, Rodney, Teresa, and of course Anthony for helping to come along side me during this time. Stepping in and stepping up. I love you guys and will forever be thankful. Each thing you were able to do, greatly help me through these past few weeks. GOD bless everyone of you and believe, that MY GOD will continue to provide for your every need, bless you with HIS love, care, provisions, and protection.

“ Cecil,

I will never forget Granddaddy's kindness, great spirit and commitment to excellence in the Trade Show Industry. He was always the one person that could make me smile and laugh during the rewarding but crazy times during the set up and breakdown of a show! May God give him eternal rest and your family the strength to continue his great legacy.

Love you all.

“ For God so loved the world that He gave..Clifford, affectionately called Bubba. I was so blessed to share the love you and Darlene shared for each other. I am a product of that ❤️. The white, signature, Lincoln that was generously offered to me at a very nominal price. Oh yeah, how you were granted a more comfortable bed during an illness. I thank you for demonstrating humility and humor while traveling or being a guest during a card game. Only God knows the day or hour that the son of man will appear I bless God for granting me the opportunity to witness incredible and undeniable love you demonstrated with the family. The word tells us “to live is Christ, but to die is gain...Either way, we win if we’re in Christ. Your presence will surely be missed, but I pray that we will have a mansion next door to you! May the peace of God overwhelm the family that joy will overtake the household and fill their hearts with laughter. Laughter as you all reflect on the precious moments God allowed you to share whether near or far. May God keep you all in perfect peace!! Love you all!

“ Sleepless while you’re sleeping in peace. Wishing it were just a nightmare while you’re probably saying WOW this place is beautiful; I wish my loved ones could be here. Replaying a lot in my mind knowing that it would change nothing; knowing that if I told you I loved you just one more time I’d here the same thing. Although you’d never let those words part from your lips, it was without any question because you gave many tips. You loved me just the same. I’ll miss your hugs , our brief conversations , and you’re funny responses when I’d say I love you but, I’ll rest in the fact that now you’re completely healed and I’ll see you again one day. I love you Granddaddy ❤️

Tears because when I last saw you, I saw a reflection of me. May God hold you safe in His arms and one day we'll meet again.
