At the tender of 72, he decided to go back to school to pursue and later graduate with an Associate's of Applied Science Degree in Graphic Design from Westwood College. “ To the Johnson family, I share your sorrow in the passing of my life long friend Clifford. I treasure the memories of his visits to his home town, Rochester, NY, and the fellowship we enjoyed reminiscing about our youthful times. May the Lord bless and comfort the Johnson family during this difficult time.
