“ Dear Uncle Clifton,
Some of my favorite memories from childhood are of thanksgiving in your home in Hudson. They were filled with joy and love. Growing without my own father in my life I always loved how you greeted me by saying "my son" followed by a huge hug. You may not have known the impact of your steady, warm presence but it had lasting impact on my life. So many young men don't have a male figure they can turn to and see the correct way to go about a normal day. Thank you for being a role model even when you did not know it. I will miss those hugs and warm comforting greetings. May that big smile shine bright forever in our hearts. One Love

Clifton,

My beloved Bother in law you were a beacon of light in our lives. My two children adored you when they lived in Hudson N Y just upstairs from you and their Aunt Phylis. I loved to see when you would wear nothing but plaid shirts and splash on old spice Cologne. Your big heart and mega watt smile would just light up any room. 😊 I have many fond memories of you but this one stands out the most. When I worked at Dunkin Donuts your favorite lines from the commercial were " Time to go make the Donuts" Oh how you would laugh, but if only you knew how I hated to work nights. Thank you for being in my life and helping me to get ahead in this Country. May God receive you and may your soul be at rest peacefully.

Love always Lois/ Chummy and Tony

Clifton,

My brother sleep on and take your rest. The Lord saw your time with us has come to an end because you was a soldier who was a fighter on the battlefield for Him. So He release you of the pain and suffering. I know we will meet again in that Land where we will never grow old. The fun memories of you during our lifetime are too numerous to mention so I will continue to cherish them.

Shalom and Love in the Name of Our Precious Lord and Savior Jesus Christ.

Your Sister Bobsie
