“ One of Chi's last Sunday at church God allowed me to notice how she was taken time to minister to her grandmother's needs. And the words came to me as I watched “ God is taking record of her service!” May she rest from her service in the bosom of Gos.

“ Dear Concheta (CheChe), when we saw each other, I am happy to say we had a loving exchange between us. Your heart was full and the occasion we will always share the memory. Family, Prayer and good fellowship. I knew you were in pain but, there will be no more pain or worries. Rest my dear cousin in the arms of the only one who can comfort you and allow you to rest in heavenly peace. I will miss you and Love you! Until we see each other again💕

This really hurts chetta was my best friend words can't describe the pain I feel I had no idea how bad it was because you always said u where ok! I miss u dearly we had the craziest 15 years of friendship! I miss u so much and I hate I can't call u or we go out and eat or spend the day shopping together like we use to and laugh and get a drink and act a fool. You are the only friend that was there when I needed you! You loved Mimi so much and she loved you. This is so hard for me I can go on and on but I know your in a better place I just wish I had more time with u . I can't stop crying and wish I can hear say one more let's go get a drank. This is beyond me and we miss you so much! I love you chetta and you will never be forgotten

“ To Jean, April and Mother Naomi. Our hearts are broken. Our prayers are with your family. We're going to miss Chetta. I'm not going to tell you the pain will go away, because it doesn't. Just going to ask God's comfort through it all. Rodney and Dorothy Ramey.
