“ I met Cora in 1975 at the health department. I cannot adequately express this beautiful lady. However I can say, I always saw a smile on her face, very pleasant and easy to get along with. Her disposition expressed: peace, love, joy, happiness and concerns for her fellow man.

Many of the things she did for others were private, not to receive recognition but because of her love for others.

Cora will be missed by many, but our memories of her will last forever

“ I offer condolences to the family and friends of Ms. Lyles. Keep in mind; when Jesus was on the earth, God empowered him to restore life to ones who had fallen asleep in death. This gives us a foregleam of what he will do on a global scale soon so continue to "Draw close to God and He will draw close to you." (James 4:8).
