LE

I wasn't prepared for this , it was unexpected , we talked almost everyday but we made sure we always said I love you after every conversation.... This is harder than anything I've had to deal with because outside of my Mom you raised me , I have a ton of memories to forever keep you in my heart , I'm so glad you was able to see my change as a Man of God and you loved my preaching and I will remember you every time I preach. I'm missing you so much right now but I know God don't make no mistakes , to be out of the body is to be present with the Lord . 2 Timothy 4 : 7 says , I have fought a good fight , I have finished the race , I have kept the faith now enter Heaven and put on your Crown because you finished the race. I love you , Your Nephew and Son Leon !!!
