“ Friendships grow out of common experiences. When I went to work at FEMA, little did I know I would meet two people who had a common experience that bonded the relationship between our families. Cornelius and Rosa are two of the best people I have met. Although I worked with Rosa, I felt a deep friendship that came as a result of Cornelius and my military experiences in 60s/70s England. God Bless Cornelius, Rosa, and their family. You are in our prayers. Gerald and Margaret Collins
