“ Dear Doyle Family, Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection.” There will be a resurrection of the righteous and the unrighteous” May you have peace as you think about this beautiful hope for the future.

“ For over three decades, I have witnessed up close the beauty, the grace and the quiet dignity of Corrine Doyle who was Mother Doyle to me. She was a woman whose character never changed and whose personal integrity was of the highest standard. She was a woman of great faith and a woman who deeply loved her family. She has now joined the 24 elders around the throne and is doing in heaven what she did so well here on earth! She is praising our God.

Well done, Mother Doyle, well done! Enter into your rest.
