“ *The Rivera family sends their heartfelt condolences to the Pannell family. My husband had the distinct honor and pleasure of getting to know Cory Sr. I can clearly remember my husband feeling just a little better as they traded stories over their boys and keeping them on the right path. Please continue to carry his heart in your heart and always remember to greet your new guardian angel in the morning. We wish you life, love, healing, and fond memories. Cory was an example of what it meant to strive to live your best life. He made good days a habit and thus made it a good life. Our family respects and salutes him. He will be missed.*
