Dr. Crawford Lewis' life is a testament to the power of faith and hard work. Dr. Lewis hailed from

Monticello, Georgia with dreams of being successful and touching the lives of others. Throughout high school

and college, he excelled in both athletics and academics and found that he had strong leadership skills. Utilizing

this skill set, he became captain of both his basketball and baseball teams during his senior year at Clark College

(Clark Atlanta University). That year, he would also meet the love of his life – Sandra Scott.

After leaving Clark, he began his career with DeKalb County School System as a Social Studies and Physical

Education teacher at Montgomery Elementary School. During his time at Montgomery, he earned his master's

degree (1981), Education Specialist degree (1985) and Ph.D. (1990). Prior to earning his Education Specialist

degree, Dr. Lewis and Sandra married and decided to start a family – welcoming their daughter, Maria Denise,

in 1982 and son, Matthew Crawford, in 1986. Both children were christened at St. Philip AME Church where Dr.

Lewis and Sandra regularly attended services. Family was a priority. Despite his many professional duties and

responsibilities, he coached and attended all of his son's youth soccer,

baseball and AAU basketball games, and all of his daughter's cheerleading events.

At Montgomery, Dr. Lewis would go on to become assistant principal and later, principal. After receiving his

Ph.D., having moved Montgomery to a School of Excellence, he was reassigned to Snapfinger Elementary with

the expectation that he'd help them achieve the same success. He excelled in this endeavor. Snapfinger not only

became a School of Excellence but a magnet school for math and science.

Following his time at Snapfinger, he

rose through the school system's administrative ranks, earning the titles of executive director, senior director and

eventually superintendent. He was appointed as DeKalb Schools

Superintendent on October 9, 2004, and proudly

served until he retired from the school system in April 2010.

After retirement, Dr. Lewis became more active in church activities. He

regularly volunteered at Lithonia First

United Methodist Church's food bank, served as an usher and later became a lay member and administrative

counsel chair. Dr. Lewis was planning to serve as the church's lay leader for 2023. He will be remembered for

modeling faith, love, kindness and generosity in all aspects of his career and life.

Dr. Crawford Lewis, 68 years of age, passed on Saturday, January 28, 2023, at Emory Decatur Hospital. Dr. Lewis

was born on March 21, 1954, in Monticello, Georgia. He is preceded in death by his beloved parents Dorothy

Pinkney and Israel Pinkney, Sr. He is the third of six siblings.

Recognized for his leadership, accomplishments and commitment to education, Dr. Lewis has been honored

nationally and locally with commendations from senators, governors, state superintendents and state

representatives with notable accomplishments of:

- Principal of Montgomery Elementary School when named a DeKalb School of Excellence
- Principal of Snapfinger Elementary Magnet School when named a Georgia School of Excellence
- DeKalb County Schools Principal of the Year
- Milken Foundation's National Education Award
- Georgia State University Distinguished Alumni Award
- Clark Atlanta University Outstanding Alumni in Education Award
- NAACP Education Award
- Who's Who Guide to Atlanta's Top Educational Leaders, Atlanta Business Chronicle

Dr. Lewis loved spending time with his family, especially his grandchildren. He was also a huge University of

Georgia Football fan and a proud alumnus of Clark Atlanta University.

He leaves to cherish his memory, his loving wife of 42 years, Sandra S. Lewis; his children, Maria D. Greene

and Matthew C. Lewis; son-in-law, Luke Greene; grandchildren, Luke Lucky Greene and Liberty Sarai Greene;

siblings, John W. Lewis (Shelia), Belinda Epps, Israel J. Pinkney, Jr., C. Ann Whidby (Thomas), S. DeWayne

Sandra, it is with heartfelt sympathy that I offer my condolences to you and your entire family as you grieve the loss of your beloved Crawford. Grieving is never easy, which is why we lean on the Lord for comfort. Because of his love for us he describes grieving in the beautiful scriptures of Beatitudes- (Matthew 5:3-12) Blessed are those who mourn, for they will be comforted. Crawford was kind, courageous, a fierce leader, a conqueror, classmate, friend and colleague. My prayers are with you and your beautiful family my sweet friend. Please know that I am thinking of you. Rest in Peace Crawford, my 'CC classmate and friend,

Dear Maria,

My sincere condolences to you and your family in the loss of your father. I remember the last conversation I had with him when we happened to cross paths a few years ago. He knew that you and I were friends, and he wanted to talk about you. It was evident that family meant everything to him, and he was so proud of you.

Our conversation was quite joyful, and now it gives me a wonderful memory of Crawford Lewis. My hope is that many such memories will help sustain you and your loved ones in the days ahead.

Much love to you, Maria, and to all of your family,
