“ *Crystal was my Manager and part of the team that hired me at Finastra. She soon became more than a Manager, she became a true friend and even an unofficial work/life coach for me. She was always there when I needed her. Always so willing to help. She was a blessing to our entire team. We talked often and had great conversations throughout the years I have known her. She was an encourager and we encouraged each other. I was unable to attend her Homegoing as I was out of the country. I loved, respected, and appreciated Crystal so much. She will be greatly missed. May she rest in eternal peace with the Lord.*

“ When I became legal guardian of my 15 year old brother, Crystal was the first person to reach out to me and say “we’ve got to stick together”! And we did! Crystal, Barbara, and I were together as often as we could—even with our busy schedules because what we needed in those seasons, each of us had it to give to the other! Crystal and I lost Barbara a year ago and now Crystal has gone to Heaven to keep her company! I miss you ladies dearly and nothing compares to the bond we had during our season together! Unfortunately, due to my current health status, I was unable to make the service today to say a public farewell. But I will continue sharing the love and friendship that we shared with as many as God will allow as a tribute to the both of you!

Loving you always....

“ Words are not enough to express how I feel. We have been friends for over 19yrs and with each year it has been a blessing. Our children brought us together but our sisterhood and faith in God kept us together. A beautiful person inside and out. A warrior Queen for our God. I will miss our times together. You blessed my life in so many ways and I'm thankful I will cherish the memories forever. I will keep the children close especially my Keenan who is my son also. You always knew if he was with us he was okay. You don't have to worry we got him and the girls... I love you Crys and God's garden is even more beautiful now with you 🌹❤️.. I love you sis. “ Crystal and I have been Sister-friend's for over 25 yrs. We met at GA Federal Bank and it was an instant friendship. Crystal words can't express the hurt my heart is feeling right now. I will miss our conversations, laughs and crys. I know without a doubt you are in our heavily Father arms. Rejoicing with your beloved Mother, Father and Granny. I'm trying not to be sad...because I know you wouldn't have stood for that. You taught your Sister Circle to be strong in the Lord. I will do just that my Angel. Until we meet again!!  
Love you to the moon and back!!💕💕💕💕
