“ My sincere condolences to the Roberts family especially to Geno, my little brother from another mother. Every time I saw Chris she was always smiling. She had such a sweet spirit even through the pain. I thank God I had an opportunity to be in her presence and to know her as a friend.

“ I send my deepest condolences to Geno and the entire family. Chris had such a sweet spirit about her. We were not linked together by blood but she definitely felt like family. I will miss that smile she wore each and every time I saw her. Love you Chris!
