*My beautiful Bonus Son. We had just talked the day before all of this happened. I wish I had more time to talk to you again. I miss you already. I am so sorry I cannot be there to say a final goodbye in this life, but I know I will see you on the other side because of the life you lived as an evangelist and disciple. The love you had for others and for doing God's work on this earth is an example for us all. I am praying that our Detroit family and all of your cousins will have the opportunity to give you a joyful celebration next month at your church so that all of the people you loved and cared for will have a chance to speak a tribute for you to the community about a life well lived. Dorothy Roman Edwards.*
