“ Perk was apart of the Tyson family. Just about everyday he came to our house and We would sit on the porch and talk and mess with people as the walk or drive by. Sit and played cards for hours and just had a lot of fun together. I always ask about him when I go back home but no one could give me no info about his whereabouts. I have great memories of you perk. Always dress to a tee and always had a smile on his face.
