“ Dear Adams Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection “ There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ I remember Cynthia from high school; I was in her brother's class at West Fulton, Atlanta, GA. Cynthia was a beautiful person; a lot of female underclassmen looked up to her. She was smart, beautiful, compassionate and could twirl that baton. I know that she rests with our Father in heaven.

Thanks,
Gail

“ I will miss my dear buddy. Shaveeviyah has been an Angel to so many in need both in the US and around the globe. She gave tirelessly and with passion. She is a role model for all of us. A deep thinker who talked the talk and walked the walk better than most - it was truly a blessing to share this walk of life with her! Blessings and love to the Family!

I am just hearing of this news! I knew she had health challenges and still remained as humble until her last day at CDC. She always had a smile and kind words for me; even and especially through difficult times. When it was her time to retire, she did so with no harsh words; just one last email and it was finished. Her life touched so many hearts and minds that it is impossible to forget such a loving soul.

Rest Peacefully Cynthia Adams, (or as you wanted to be known Qairo Ali) Hopefully, I did or said something to make your time here a little more pleasant.

*Respectfully,
David L. Massey*
