“ I am visiting from Florida and had you on my mind. I am still missing you so much. I miss our talks and random texts. When I am down, I think about us joking and laughing about me saying you are going inside to watch Lifetime and you said that is you, sis, I am going to watch my Golden State Warriors.

“ *Nikki was sister, my friend, my secret keeper, and so much more. She is definitely going to be missed. I will forever hold a piece of her in my heart and continue to love on her babies just as she would. Nikki may be gone from us, but she will NEVER be forgotten.* ”
