“ Thank you for being there for all my milestones whether small or large. Thank you for always answering my call when I needed gentle words of encouragement, space to vent or something tiny like sharing some recipes, a potential outfit, or a cute photo of Artemis (the horse) or Cleo. Thank you for being there while we mourned the loss of grandma (your Mom). Thank you for making me feel included with your children and calling me an honorary daughter ❤️ 🦋. To think our last conversation was me sharing my lasagna soup photo with you. May we meet again 🕊️

“ Going to miss your laugh, your smile and our girl talks. 😇 Our relationship was uniquely created by God. We had a different kind of connection. Gonna miss the physical but I know the Spiritual is what means the most.

“ I know Heaven must be beautiful right now because it has you in it . I am honored to have known such a beautiful, sincere and loving person. Cynthia had such a warm and loving spirit. When she smiled it seemed to light up the room. My daughter Conchetta, spoke highly of you all the time . I saw exactly what she did. Every interaction we had together was nothing but heart felt . You will be missed but not forgotten.

Sincerely,
Shawanda Husband

“ Cindy, you were definitely one of a kind. For 59 years you held a special place in my heart. It saddened me so much to hear of your passing. Because you are suffering no longer and are with Mommy and Daddy that brings me joy! OMEGA, no one can take your place. I will see you again. Until....I send hugs and kisses.....Vicki (ALPHA)
