“ Dale! It's me Trina who cared for your children for many years and I'm just learning of your passing. You were a great mom and I will miss closing on the phone with you about any and everything ! I know you are in a better place now resting peacefully! Just know I pray and love your beautiful children and wish them all the best in their lives and hope they can just be happy to know God has you in his safe arms and everlasting life you are promised for the goodness you left this world. Love always,

Dale and I were class mates and she was one of my best friend. We shared so many great times together in school and out and though the many years we have remained in touch from Virginia to Georgia. I will miss her laughter and ready smile. Dale was a loving and caring friend and was always there if I needed to talk or just needed a laugh. To the family, Thank you all for sharing her and you are all in my thoughts and prayers. If you need anything I am only a phone call a way always. Love you all. Joan Harris Opie

“ It's very hard for me and my family to think of you not being here. The memories that we all shared together are priceless and there are so many to count. I can hear your voice so clear dale. I can see your smile and see those beautiful brown eyes of yours. The way you displayed your beauty will always be something that I would remember. My mom loved you so much and now you both can be free and together like old times.. The way you loved on your kids and family was definitely a blessing to see. You will always be in our hearts forever. Our deepest prayers, condolences and love will be for your family.
