“ D, it is a strange thing to think you are no longer in this realm, however, I take comfort knowing that you are with the Ancestors. As we celebrate your time spent with us, they are celebrating your return home. Remember to check in on your mommy, your siblings and those who cared for you. Send them sweet reminders of the good times so they do not dwell on the pain of your death. To live is to die, and I am glad you lived so I had the opportunity to share this time and space with you. Be easy sweet boy. ✨Aşę✨
