

Damita Shelton

February 3, 1962 - May 13, 2020

Damita “Jo” Shelton, 58 of Buffalo NY was residing in Lawrenceville GA for the past 4 and half years at the time she transitioned into the hands of the Lord on May 13, 2020. Damita will be most remembered for her big free heart and love for her entire family. She was wise beyond her years and always had a great story to tell and a memory to share. To our family she was known as our news reporter and could retell and remember countless stories about our family history. She will be missed dearly and her legacy will live on in our minds, hearts, and souls.

Damita Shelton of Lawrenceville, GA passed on May 13, 2020. Services entrusted to Gregory B. Levett and Sons Funeral Home, Gwinnett Chapel (770-338-5558)

“ Memories and family. ❤️

My thoughts go to my childhood spent with my Auntie Damita - Sitting with her over the heater vent at Grandma's while eating ice cubes and watching cartoons; the story she would always tell when I saw her of me running from the bathroom to hide when I was two because I just unrolled an entire roll of toilet paper into the toilet; the games we would play as she watched me while my parents were at work; the knitted black cabbage patch doll that she got me for Christmas one year because she knew I would love it (I LOVED that doll and makes me smile knowing my daughter will get to make memories with that same doll). Damita loved her family and doted on all of her nieces, nephews, great nieces and great nephews like they were her own. She loved us all so fiercely and unapologetically. The last time I saw her years ago I remember lying down next to her in bed as she shared our stories like she always did and she told me how much she loved me. Made me feel like a little girl again that was loved so much by her Auntie. I'm so happy she got to spend time with my kiddos even if it was just for a short visit.

Today you will get laid to rest. I've been pushing aside thinking about it because it makes me sad. We may not have been close as I got older, but you are near and dear to my heart. I love you Auntie. May you rest easy now. ❤️❤️❤️❤️

“ As I'm writing this I'm trying my best to get my thoughts together, and to stop these tears from falling down but I can't auntie, I cant believe that your gone. Wednesday night changed my life forever that I won't ever be the same you was supposed to be here for a lifetime in my eyes auntie. It's crazy because you was more then just an aunt to me you was like a mother to me and the rest of the family. Holidays won't ever be the same without you because your not there cracking jokes with us or telling us stories I remember when you used to watch me and my siblings and cousins you used to tell us jokes that we wasn't even supposed to be hearing at that age lol . The night that you passed and I saw you there I didn't know what to do I was so hopeless and heart broken my heart just felt torn in pieces looking at you .I thought If I just woke up it was all a dream but it wasn't because I didn't get a phone call from you like I do every day sometimes ten times a day lol one thing I do know is that you loved us unconditionally and I thank you for that auntie . You will always be remembered in live in our hearts forever just know it will never be another you auntie Damita Jo always and forever your Loop A Jack aka Parrishia ❤️❤️❤️ RIH
