“ My sincere condolences to the family of Dana Elder. Ms. Elder and I were co workers in the 80's, it was a joy to work with a person who were mild tempered, humble and had a deep love for her family. Dana was a team player, always sharing in the work load. I pray you and your family find comfort in the scriptures, knowing that one day death will be no more. (Rev 21:3,4).

“ Dana came to my rescue during a church service, when I realized I didn't have my reading glasses. I was the speaker! She didn't hesitate to come through when I desperately needed assistance, that was Dana! She was indeed beautiful inside and outside. I extend my sincere condolences 🙏

“ I will truly miss the long conversations we had over the Bible. I have already missed the call and our conversations about politics, our grandchildren, our children, our parents and our upbringing. But I also know that GOD is Sovereign I will treasure all of our conversations knowing that if I stay on this path of faith in GOD I will see you again.
