“ Dana, such a fun-loving, funny, energetic spirit who loved with her whole heart. She was always welcoming and encouraging and had a joy for life. She was family-oriented and adored her children and loved her husband as a dutiful wife. There was never a dull moment with Dana with her bubbly personality, outgoing spirit, and funny jokes. Time would go by when we would see each other but when we did catch up--it was as if there was no time lost. She never changed over the numerous years that I have known her--she will be missed. Prayers for strength, peace, a calm mind and understanding her husband, children, mother, the Goodwin and Freeman families. May God cover you all with the necessary support to keep you lifted. May memories of her bring a smile on your face, laughter, and joy in your hearts. -Angela D. Galloway

“ Dana and I met when I was 12 and she was 11. She has always been my girl. I love her and always will. In recent years we lost contact but she was always in my heart and prayers. This news hurts but I know to be absent from the body is to be present with the Lord. I send my love to all her family.

*To My beautiful cousin Dana
My heart is sooo heavy right now, travel there after we got the news I prayed and asked God to watch over you and keep you until we arrive. This is like a dream to me, I just talked to you about what was going on in your life, with the family and the kids you were brining me up to date. Your life starting flashing back in my mind when you were born on that hot day in Brooklyn New York.
From cheering at Johnson C Smith and to going to the CIAA to all the fun times of family reunions, SC State homecomings, Visiting Dasha at Carolina , Thanksgiving in Fayetteville, your recital and pageants because YOU made it fun. You were always smiling and your smiling in heaven right now!!
I promise I will help Jackson and Layla with whatever and if ever they need to anything.
Our family is so broken right now and we all know that you are with God, please know my love for you goes on forever and always in my heart. I am so sad
