“ *This is a memory from Daniel's first cousin, Saint Mark Thompson, (our father's are brothers). In the summer of 1969 when I was just 15 years old, my cousin Daniel who was 21 years old at that time, taught me how to drive a stick shift. Daniel wisely took me out to the Tuskegee Airbase runway to drive so that I had plenty of room to maneuver and not hit anything. Lol! I appreciate Daniel to this day for his patience and thoughtfulness.*

This memory is for Daniel Thompson from his first cousin Saint Mark Thompson. I visited Daniel at our cousin Jeff White's house in August of 2022. It was a very special time of love, laughter, and shared memories. It was a time that I cherish and I am so thankful for. This time spent touches my heart deeply since it un bekown to any of us present was the last time I would see my cousin, Daniel.
