“ I will remember Danielle's smile and aura the most. I remember taking several trips and experiencing so much with Danielle from EBC Children's Chapel, Youth Group, and GirlScouts Troop #1368. She was always filled with joy when I saw her. If she wasn't, you couldn't tell. No matter how much time passed between us speaking, she always had that welcoming smile and energy that made me feel right at home. Heaven has truly gained an angel and I'm so thankful that God allowed me to have known Danielle.

*I light this yellow candle for my childhood friend Danielle Nicole McClusky, as the color, represents the joy she gave to all she met. To the family, I send my deepest condolences and thank you all for sharing her with us.*

“ I worked with Dani at Fiserv for a couple of years. Dani, always put a smile on my face with her bubbly personality. Whether it was saying something goofy or just changing up her hair style (I loved the way she fixed her hair). Even after I left Fiserv we would chat about the stock market and the stocks that got away. She was so caring for others and felt it was an honor to call her my friend. I will deeply miss Dani but know that heaven gained another angel.
