“ I worked with Dani at Fiserv for a couple of years. Dani, always put a smile on my face with her bubbly personality. Whether it was saying something goofy or just changing up her hair style (I loved the way she fixed her hair). Even after I left Fiserv we would chat about the stock market and the stocks that got away. She was so caring for others and felt it was an honor to call her my friend. I will deeply miss Dani but know that heaven gained another angel.

“ *I met Danielle when she was six years old. Juanita and I were neighbors. A clear memory is how beautifully Juanita would have her dressed. I grew to love this family and the mother and daughter relationship they had. They were like sisters and loved being together. It was always laughter when I was around Dani. Juanita was so proud of the woman she had become. My love and prayers will forever be with Juanita.*

“ I have so many wonderful memories of Dani. Whether she was helping to “rescue” furniture, laughing poolside on vacation, or enjoying the ladies’ wine night in the neighborhood, she was a joy to be around. She was smart & funny, with a smile that would light up the room. You couldn’t help but smile in return...& there was likely giggling to ensue! The only thing greater than her sense of style was her sense of what was right & the need to stand up for it. She became a heavenly angel much too soon. Rest in peace & love, Dani.

“ *My Sincerest Condolences goes out to Ms. Juanita for her loss. I am lifting up Danielle who had an amazing spirit and whose smile would light up the darkest room. I had the pleasure of meeting Danielle at Ebenezer when we were kids and I remember that smile that made you want to smile. She knew who she was and what she wanted out of life. She was a great listener and had patience like you would not believe. She will be greatly missed but God just added another angel to his amazing team. Rest In Peace Princess*

“*Juanita, my sincerest condolences for your loss. Dani was such a sweet soul and a great worker. She was such a delight to work with and would always bring a smile to my face!! I recall when I first learned she was your daughter, bringing back fond memories of our time working together years ago. There was so much of you in Dani's personality which made my interactions with her so special. She will be sorely missed.*

“*Dani's smile was infectious, and her spirit was like none other. I loved working with her and knew that she was always my go to girl when I needed assistance. She would assist me whenever I needed and always did it with a smile and a friendly tone. I will cherish those moments and extremely grateful for our time. Juanita, thank you for introducing Dani to all of us and for sharing her with us. We've all worked together for so long, we became family. Know that the days ahead will be tough, and I know that there will be days that seem unbearable but take it one day at a time. God said he will never put more on us then we can bear. I am holding you and your family in my heart and my prayers. We love you and will continue to lift you all up in prayer. Rest well my sweet friend and continue to watch over us.*

“ I worked with Dani many years at Fiserv, from her college days until I retired. Her first job there, was while she was still in college, and was my intern on the Biller Direct product and we had such fun working together. Dani was also our real estate agent when I retired and we sold our house in Georgia. When I think of Dani, all I see is that sweet smile and loving kindness. Always a smile, no matter what was going on in her life. She had asked Liz if she could go with her the next time she makes a trip to visit me. My heart is saddened knowing that trip did not happen cause, I know the three of us would have had a blast! My life has been more blessed, for having Dani in it. Heaven has gained the sweetest of angels. Juanita, May God's grace give you strength and comfort. I cannot imagine what you are going through. We are keeping you in our prayers and send you our love.
