“ *Dear Covington Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again, right here on earth, by means of the resurrection. May you have peace as you think about this beautiful hope for the future.*

“ We met DC almost 16/17 years ago. We lived in the same apartments complex off of Stanton rd. He use to wash/wipe his car almost every day. My son was abt 1 or 2 and he use to love to go out & watch the car man. I use to take a chair to sit and my son would bring his toy cars and we would watch him clean the car then next thing you know Keith was helping him clean the car (Cadillac of course) next thing ya know we all talking and laughing we introduced my husband To him and the rest is history!! He’s always been a a brother to us and uncle to my kids. We will truly miss DC. That country twang and all the wisdom that came with it!! If you knew him ya loved him. If you didn’t know him you missed out on a COOL PERSON i still laugh at the fact that he actually toilet trained his cat 😂 but hey he did it good ol DC prayers for the family.

“ Those talks we used to have is the thing that I'm going to miss the most about you. I can express how bad this hurts to know we will never speak again. In life, we all talk lessons in the one that you told me is at the end of the day to be surrounded by those you love the most important thing. You got your wings and I hope you're smiling down on us. Love you.

“ *We the Shears Family of Stonecrest Heights Community will truly miss Danny. We have known Danny since he moved in the community in 2010; which he has always been a true friend. Danny would drive his truck pass my mom, hunk the horn to see if my mom needed anything. Danny was funny and a down to earth person. Danny would do anything for anyone and had a heart of GOLD!*

*Danny we will miss you and our lives have been changed by the grace of having you as our friend. God had his plan and he has called his son home. Danny we all with hope will see you again. Blessing to the family and we will truly miss Danny.*

*The Shears Family  
Stonecrest Heights Community*
