“ I worked in marketing for the Hawks from 1999-2003. We often brought in former players for many of our events and I had the honor of working with and getting to know Dan during those years. He was always a professional and fiercely loyal and I always enjoyed seeing him and that big smile! He became one of my favorites and when I heard the news that he was gone too soon, my heart broke. My prayers are with his family and all who knew him because we are all hurting from such a tremendous loss. I will always smile when I think of Dan and I'm a better person for having known him.

“ To the family I send my heartfelt sympathy. I taught the boys at Holy Innocents' in the fifth grade. I was so shocked and sorry to hear of Dan Roundfield's passing. I have been thinking of you all and hope that you will be able to find a sense of peace and to draw strength from the life of such a wonderful husband and father. Bless all of you and know I am thinking about you. Mary Martin Buckalew
