“ Dear Bourne Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ Grief can be so hard, but our cherished memories help us cope. Hold tight to those memories....Lean on each other for support.... And look to God’s word the Bible, for comfort and strength. James 4:8 encourages; “Draw close to God, and He will draw close to you.”

“ Tracey, my sister, my friend, no amount of words can express how deeply saddened I am of Dante’s passing. Although I can’t quite understand your pain, I feel for you. I pray God gives you the strength to carry on. They say God gives his toughest battles to his strongest soldiers & you my dear friend are indeed strong. I recall my last conversation with Dante’ & him bragging about what a great rapper he is & that he was better than his god-brother & me laughing at him saying “Dante’ get off my phone”. He was truly a character & will be deeply missed. My sister, I’m here for you & the rest of the family. Just know, you’re not alone. Throughout the years, we’ve laughed together, cried together & will get through this together. I love you & pray God wraps his arms around you & comforts you. This won’t be an easy process but know that you have a great support system & we love you. You already know, I’m just a phone call away & will always be here for you. R.I.P my god-son, although we needed you here with us, God NEEDED you more! Until we meet again, Sleep in Heavenly Peace...LOVE YOU!

“ Tracey- My heart aches to see such a beautiful person experience this pain. Know that we are here with you all the way! There are no words that can ease this feeling of loss, but I pray God's love and the comfort of the Holy Spirit for your family, friends, and loved ones.

Danté you were the life of the party at Auntie Kim's house for the holidays. Your warm smile and sweet spirit has left an indelible mark on the hearts of many. Your SWAG will be spoken of forever, but MOST importantly your intelligence, artistic mind, love for others, and humble spirit. Until we meet again Young King....

“ Tracey... my condolences during one the hardest times in this life. May God bless you & your family. Even though I didnt get a chance to meet your son, I met you. If he is anything like you, that makes him one heck of a young man. I pray a blessing over you and your heart. This won't fix the pain but I pray God's grace to make every day after today a little better.

God bless you. God gave you an angel!

“ There are so many memories I could share about this passionate, adventurous, courageous, busy body nephew of mine. However I don't think I would be able to share them as humorous and crazy that they were. Nephew you was one heck of a kid always on the go and never a dull moment in your life. You made the best out of everything and every situation. Let me say this, there is no amount of words or shares I could make to express the love I have for you. Your presence will always be felt. I love you and you will truly be missed. Auntie Kim
