“ *Darlene was a true friend and a wonderful Mother to her Daughters. I only knew her for a short span of time, but during that time we shared some of the best moments of my life. She was full of life and never met a stranger. I'm going to miss her greatly. Rest in heaven sis.* ”

“ I've been in Darlene's presence just a few times. Although I haven't had the pleasure to know Darlene up close and personal, one thing I can say is that she was a little Firecracker! She loved to have fun and she LOVED her family. To my nieces Brittany and Lindsay and my nephew Billy, my sincerest prayers and love are with and for you! Always remember that earth has no sorrow that Heaven cannot heal. God's will is perfect and He will forever be with you. You have a guardian angel watching over you! I love you all! 🙏❤️🙏❤️

“Loved “Growing up on Stansbury we were friends, we were sisters, and we were neighbors. Our families blended and our families grew but, thankfully you stayed true. With every visit you made back to Michigan you let it be known 😊

Darlene was one who you could call after not talking to for months or years and the conversation would be as if we just hung up. A person of such life, passions and joy will truly be missed. Always the life of the party. Our friend, Our sister, Our Neighbor.

To know Darlene was to know you were going to get a good laugh, and learn a few new choice words but, most of all to know Darlene was to know Love & Joy.

Our prayers and condolences are with you all
Love endlessly,
The Oliver's”
