“ Ms. Scruggs was more than a teacher to me. She was a mother figure, my mentor, my friend. I came to her when in need and like always she was a listening ear. Words can not explain on how I feel. I don't want to believe that she's gone but I know I have to. I'm sorry I haven't said it often but I love you dearly Ms. Scruggs. Thank you for everything! If I'm not able to attend the funeral please don't charge it to my heart. You're my inspiration and because of you I will be a great elementary school teacher! I love you!

“ I am so very sorry to hear about the death of your most precious loved one Darlene. I pray that the loving support of family and friends will serve as a comfort for you and that you will know that others truly care and share your pain. How good to know that our loving heavenly father Jehovah, deeply cares for us all. 1Peter5:7 He has promised that one day all those who have died will have the chance to come back to life by means of the resurrection. John5:28-29 What a wonderful time that will be! Until then please know that our loving heavenly father knows and understands how you feel. Isaiah69:3 Once again I am truly sorry for your loss!
