“ *Darrell's beautiful smile will always be with me. He always had a kind word and an appropriate scripture.*

I met Darrell when he was young and athletic. He was big and strong but yet kind and gentle. He was so impressive that I immediately thought of my sister Freda. I introduced Darrell to Freda and together they built a strong marriage.

I love Darrell and I will miss him forever.

The pain is gone you suffer no more time is now that you Rest In Peace. You leave behind my Dear Sista by heart but she will never be alone as long as I am here. I'll miss you but I'm comforted that you are now rested.
