“ To my “Dude”, I miss you so much! My heart is so broken 💔. There’s not a day, hour, minute or second that goes by and I don’t think of you. We had so many plans and they were all taken the moment this tragedy happened. I wish I could turn the hands of time, you would be here with me. I need you here with me (guess I’m selfish) 😭😭😭 I guess God needed you more. They say to be absent from the body is to be present with the Lord. I know you’re not suffering anymore and that gives me some comfort. I miss you so much. Keep watch over us and I will forever and always, LOVE YOU ❤️
