“ *Dj was a mans man. Someone who took lead & showed guidance. To me he became more like a big brother overtime. Someone whom I cared to have his acceptance or rite of passage because I knew he was an honorable person. His presence will be missed yet still he will be carried in our hearts. Rest in Heaven Brotha 🙏*

“ I light this candle in honor of DJ and his unforgettable contagious smile and laugh!! My best memory of him is running to hide from my sister, Sharon F. He was her Super Hero and could calm her down in a second!! DJ would always go above and beyond to get her to Smart Place, many times using his own vehicle!!!
To Ms. T and the family, my heart aches with pain for you all! My sincere prayers are with you.
Ms. T, My pretty Jess & DJ were earthly angels serving the Smarties and community with everything they had to give. May you find comfort in knowing, they are together in heaven watching over you, the family and The Smart Place ☐💜∞
