“ David, I saw you in my dream last night and you just just smiled. I'm still in disbelief that you are no longer here. I'll missed our banter, and talking about our kids. It was a pleasure knowing you for the past 8 yrs. I pray that God will bring healing to your kids, your brother, and the rest of your family. Rest in peace David. Till we meet again 🙏❤️

“ Very nice guy I met him 4 years ago he was my sons first basketball coach great with the kids. He also looked out for my husband last year when he was in ICU at Hillandale. All around great guy. You will be missed by many.

“ My heart is so heavy! David was one of my biggest support systems for raising my nephews. Whenever and if ever I had a question, thought, or planned something I wasn't sure about I would run it by David first and he always assured me if I was doing the right thing or not. I looked to him for guidance because he told me he saw his aunt in me because he was raised by his aunt. Thank you David for always being my guidance, my mentor, and my light at the end of a dark tunnel and most importantly my friend. I will surely miss you, and those boys will surely miss you. Your name will forever live on like the legend you are.

“ I am so sorry I cannot be with you all today to celebrate David's life! Loved working with David! We worked together in Vidalia at the hospital and at Ga State Prison. He was a special person and I hated it when he quit to go to school at Grady! I can still hear him say “what “! And he loved his family! The stories about him and Michael! The time his Aunt showed up at school looking for him with the intentions of whooping his but! How all he wanted to do was enjoy the summer and his aunt had a different view of summer vacation, she had him working in the tobacco patch! If David was your friend, you were blessed! Rest In Peace dear friend! Till we meet again!
