“ My memory of Hope is during Christmas time, because you knew he was going to get some of the most entertaining toy's available for Tink, his son and things he could play with as well. Hope was always the life of family gatherings, from providing the latest music and entertainment. I last seen Hope at a family gathering and he seem to be in a good place in hi life and that's how I want to remember him.

“ I want to express my sincere gratitude for being able to cherish so many loving memories of you! From riding over the hill in the red jeep, walking and riding our bikes from Grafton St to Deegan St, picnics at Steven's lake, shooting pool in the den, enjoying fun times and good food at the house. The list is endless. You had a way of bringing so much peace, integrity, reason and laughter to everyone you touched. We appreciate your tenacity and the hardwork you put forth. You were so creative and and handy, always making ideas come to life. I'm so thankful that even my girls had a chance to experience uncle Hoke's (Hope) loving spirit. Just like you did here on earth, I know you will continue to guide and watch over us all from heaven. We love you and will truly miss you. Love Always, Patty

“ Hope I remember you since I was a little girl going over you and Donna house eating watermelon. You had such a big heart, funny, and loving. We won't forget the 4th of July in 2015 when you lit those fireworks and the kids were so excited but we about caught the house on fire LOL! Marc loved his uncle Hope and my Jazzy, Jada, and Jayla too. You will be missed but we know your not suffering anymore and in a much better place now. We love and will forever miss you.
