“ *Sending you love, peace, healing, understanding, and the comfort that can only be found in the peace of our enduring belief in God.*

This moment is one of the hardest we will face in this life and I struggle to find words adequate to express the sentiments necessary to express the condolences and wishes for healing in my heart that goes out to each and every one of you that are suffering the most from this unfathomable loss.

The good moments and memories will forever reside within you all and provide comfort over time. Know that in time, God will provide ultimate healing and peace where there may now be sadness. Rejoice in the knowledge that Debony II now resides in the House of The Lord and is at peace.

Regretfully, I cannot be there today, but I am there in spirit sending the deepest, most heartfelt condolences.
