“ My dear sister Deborah will truly be missed but never forgotten in all ways of life. She loved to have fun, entertain and care for people a great deal. Now that she has gone home to be with the Lord. I will always say that your spirit will never be forgotten and that you are the sister that gave so much joy, laughter, discipline and love. Even when things didn't go your way. The accountability you displayed after taking a break to think about your decision was a true blessing. I love you and will miss you and will see you again.
